December Court of Honor and Lock-In

Our December Court of Honor will be held this Friday Dec 2 at SUMC. We will be having a Pot Luck dinner starting at 6:30pm followed by a Lock-In. Scouts will need to be picked up on Saturday, Dec. 3 by 10:30am. **We will ALSO be having a Troop Meeting on Thursday in order to finalize plans for the Court of Honor.**

Winter Events

We will be doing the Klondike Derby at Kinder Farm Park on January 21 and the Monster Jam at the Royal Farms Arena on February 25. More details to follow.

Anne Arundel County Library Jobs

See the separate attachment for job opening information at the Anne Arundel County Public Library for any scouts who may be interested.

2017 Rechartering

It's that time of year again... All scouts and leaders have to re-register with BSA each year. Fees are due now.

Updated registration costs are as follows:

Registration: \$24/scout

Insurance: \$4/scout

Boy's Life (Optional): \$12/scout

Total : \$40/scout (including Boy's Life) -or-
\$28/scout (without Boy's Life)

There is also a yearly dues to help defray costs for our troop activities. The dues amount is \$6/month or \$72/year. You can choose to pay it upfront or in partial payments. Please see Mrs. Michele DeGrange to pay your dues for 2017 (and make sure you are up-to-date for 2016 as well).

Please note the difference between registration and dues. Registration is a payment made to the BSA. Dues go directly to the troop to help defray costs of the troop such as badges, supplies and training.

See Mr. Steve Wolfe **ASAP** for more details on re-registration.

Medical Forms

Medical forms must be updated annually. Forms are located online at <http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx>. **If you plan to go to any overnight camping trips, we need your updated medical forms for this year. For short term campouts (<72hrs), you only need parts A and B completed.** Please submit medical forms to Mr. or Mrs. DeGrange.

Advancements

Scouts – **please bring your books to troop meetings each week**, especially if you are working on requirements up through First Class. The assistant Scoutmasters need to be able to sign off on your requirements as you do them and Mr. DeGrange needs to be able to put your information into TroopMaster to ensure you get your advancements awarded promptly.

General Fundraising Information

As we all know, providing a quality Scouting program requires funds. We attempt to keep expenses down as much as possible. However, in order to ensure the Troop has the equipment and provisions needed, we do need to spend some money. We attempt to make it as easy and cheap as possible for the entire Troop 712 community. If you cannot assist with fundraising activities, please consider donating some of the items we need or use a lot. If you are too busy to stop at the store to pick something up, you can make a donation at one of the Troop meetings. We all need to do our part to continue to make the Troop a success. Mrs. Ellen Tralongo is our Committee Chair for Fundraising. If you have an idea for fundraising, contact her at ellen1558@msn.com.

Service and Service Projects

An important part of scouting is service to others, whether it is to family, to scouts or to the community. In addition to doing a good turn daily, scouts need to participate in service projects to earn their next rank. There are many opportunities for service.

H.O.P.E., a Christian focused service organization for those in need has several service project opportunities. For more information, call 410-766-0372.

Parents' Corner

Youth Protection is MANDATORY for all volunteers and adults interacting with the boys. Please make sure that your training is up to date. Note that you do not need to be a registered volunteer to take this training. The training is available on line and is good for two years. It only takes about 20 minutes to complete. If you have any questions about this, please see Gerry Miller.

Parents, these newsletters contain information important for the successful operation of the Troop. Please make sure your Scout(s) reads the newsletter as well.

We realize that not all parents can be as active in the troop as others. However, there will be opportunities to contribute to the success of the troop by helping out with smaller projects. These projects can allow you to spend time with us without having to fully commit. It takes all types of help to keep things running smooth. Let's set a good example for our scouts and get involved! It's their Troop, let's support it!

YIS,
Kurt Godfrey, 410-320-2694
